## Description:

To buy apartment in Bulgaria for permanent residence maybe in the pleasant resort town of Sveti Vlas, 600 metres from the sandy beach. Sveti Vlas resort is truly beautiful because of the favorable environment, sea and mountain air, lack of nearby industrial plants, infrastructure, significant opportunities for tourism and sports.
Residential house is located in an area where mostly built houses and cottages, so even in peak tourist season there is always a pleasant peaceful atmosphere. The five-storey building is protected, there is no maintenance fee that involves accommodation and outdoor activities in all seasons of the year.
Offered for sale two floors of a residential building with an area of 80 and 75 sqm respectively. On the second floor is completely renovated and it is in the living room combined with kitchen, separate bedroom, bathroom, enclosed terrace. There is comfortable furniture and necessary household appliances. On the ground floor is planned to have two bedrooms, living room with kitchenette, bathroom and private balcony. There is a separate entrance on the first floor. Heating is provided by pellet boiler on the ground floor and air conditioning on the second. It also provides the opportunity buy the floors separately.
