Description:

Buy new apartments from Builder in Bulgaria by the sea, offering comfortable, Aristo Villa, located just 150 metres from the sandy beach and 250 metres from the famous Marina "Marina Dinevi". Within walking distance are bars, shops, restaurants with various cuisine, theme parks and entertainment. Don't miss your opportunity to buy a new property for a young family with children, with everything you need and at a reasonable price.

In architectural design the new complex is a building in art Nouveau style, in full accordance with modern requirements for construction. Was considered a coastal location, which involves the use of high quality materials and special technologies. The uniqueness of Villa Aristo is that on the roof of the building there is an outdoor swimming pool, allowing directly from there you can enjoy breathtaking sea and mountain views. In addition, the hotel owners restaurant, bar, children's pool and Playground, gazebo for relaxing, sunbathing area, manicured garden, Parking, 24-hour security.

For the purchase of apartments with one and two bedrooms available installment. Apartments are sold with finishing "turnkey", equipped with bathrooms and fully equipped with furniture. It should be noted that there is a surcharge for furnishings, because it is not included in the cost of real estate. From the terraces and balconies of most apartments offer beautiful views of the sea and mountains.
