**Description:**

For sale a beautiful one-bedroom apartment in the complex Siana 3, Saint Vlas. The complex is located both close to the sea and close to the city center. Within walking distance there is everything - shops, pharmacies, a medical center, a bus stop and everything you may need for a comfortable life.

The complex itself is very well maintained, despite the low size of the support fee - only 400 euros per year. The apartment is located on the 3rd middle floor. The layout is very good - a separate corridor, a good - sized living room with a kitchen area, a bedroom, a bathroom, a terrace with access from both rooms. From the terrace there is a view of the city, greenery and there is a small view of the sea.

A separate plus is the presence of a year - round working elevator.
