### Description:

We offer a studio on the 1st floor in the Sunny Day 6 complex. The apartment is equipped with everything you need - a washing machine, refrigerator, microwave, air conditioning. All furniture and appliances remain for the new owners.

Sunny Day 6 is a complex of four-storey buildings on a fairly extensive territory, which you can move around by car. Lawns are maintained in perfect condition, birch trees and flowering shrubs are planted between the houses. There are plenty of opportunities to play sports on the territory - there are football and basketball courts, a tennis court. Several playgrounds and swimming pools will not let your children get bored. If you have a car, you can go to new beaches every day, and there are many of them at a distance of 5-10 kilometers for all tastes. There are wild ones, there are with open sea and waves, there are quiet windless ones. At a distance of 4 km there is an Action water park and Sunny Beach with its vibrant nightlife. If you are interested in history, go to the city of Nessebar, there is an archaeological museum with a collection of icons and many ancient churches.
