The apartments are not equipped with a boiler, a turnkey installation with a water meter will cost 500 euros, you will also need to issue a partida for electricity. The six-storey building has a landscaped area, an outdoor swimming pool for adults and children, a sunbathing and relaxation area with sun loungers, a restaurant, a bar, round-the-clock security. Owners can purchase their own parking space for 4500 euros.
All the necessary infrastructure is nearby, there is a year-round supermarket MM, polyclinic nearby. On the way to the sea to the central beach there are a lot of working cafes and restaurants. Buying a studio will be a profitable investment if you plan to rent it out. The bus stop is 300 meters away and will allow you to be mobile in your movements even in the absence of a car. By bus you can go to Sveti Vlas, Elenite or Nessebar. There is a bus station two stops away, from which you can make budget trips around Bulgaria or Europe.
