Description:

Consider buying an inexpensive option for a three-room apartment with an unusual layout. One room, if necessary, is separated by a curtain. The apartment is equipped with everything necessary for life. The windows of the apartment face south.

On the east side of the building is a large outdoor pool with a children's section. The space near the pool is designed as a recreation area with sun loungers and umbrellas. The complex was commissioned in 2014. The location of the property is excellent - close to a year-round store, post office, cafes, restaurants, shops and a bus stop.
