Description:

The BAYVIEW FAMILY 2 complex is located in one of the best locations of completed projects by one developer, which forms one successful building style and character, with rich landscaping of the external territory and impeccable infrastructure.

The building consists of two separate entrances, each with an elevator. The complex consists of 64 apartments with individual parking space. Also, for the comfort of the living, they thought about parking bicycles. At the location of the owners there is a sports and children's playground and a gazebo for a recreation area.

The construction of this complex began in September 2022 and will end in December 2023. Hurry up to buy your dream home, because before the end of construction there may not be any apartments for purchase.

The buyer pays a commission to the agency, in the amount of 3% of the value of the object.
