Description:

We present you a popular gated community. Residential complex with houses, located near Burgas and Pomorie.
The construction of the complex began in early 2023. It is designed in typical Mediterranean style, with many luxurious houses with their own yard and parking spaces. The houses will be handed over ready-made on a turnkey basis, taking into account the individual requirements of each client, in compliance with all necessary standards of architecture and construction.
Provides for the construction of a street network, sidewalks, playgrounds, street and park lighting, a substation, water supply, treatment facilities and sewerage. A modern and functional irrigation system will be built to maintain green areas.
