Description:

A house is for sale in the village of Aleksandrovo, which is located in the Burgas region, part of the Pomorie community. The village is located on a flat terrain and nearby is the Poroy dam, built on the Gadzhiyska River, this is a good option for passionate fishermen.

The house with a total area of 100 sq.m. consists of a spacious living room with access to a balcony, two bedrooms, a bathroom, and a basement with a separate entrance. The house has a rough finish with an adjacent plot of 396 sq.m. and has Act 16, separate bills for electricity and water. Many events and rituals are organized in the village of Aleksandrovo; you can also visit the temple. Thanks to the convenient location in the village of Aleksandrovo, in recent years foreign citizens have preferred to buy their home in this place.
